DEMOLITION QUICK UPDATE

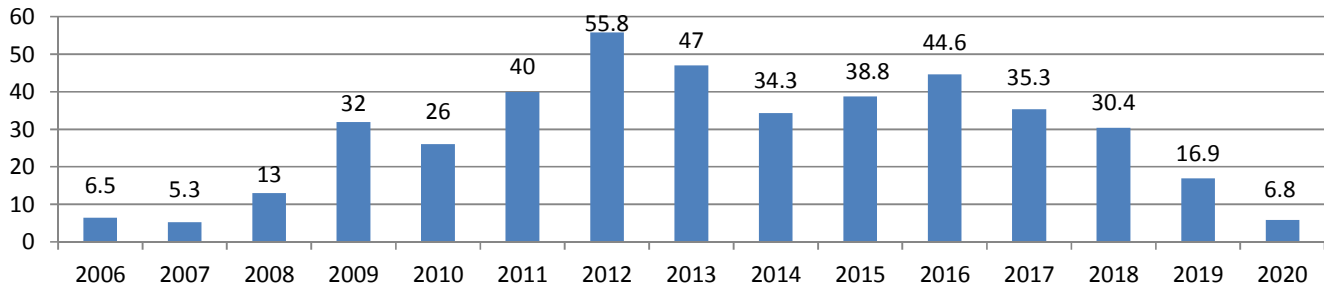

This week after the complete lockdown of all recycling locations, zero movement has been reported. The only notable remark for Bangladesh is that it was the last location to implement a lockdown until 07/04 at earliest. India due to Covid-19 has ordered 1.34 billion people to lockdown, with every ship expected to arrive staying at halt position until further notice. Pakistan was the first Sub-cont market to impose measures for Covid-19 by not allowing ships to enter for recycling.
