Week 21 2021 (24th – 28th May)

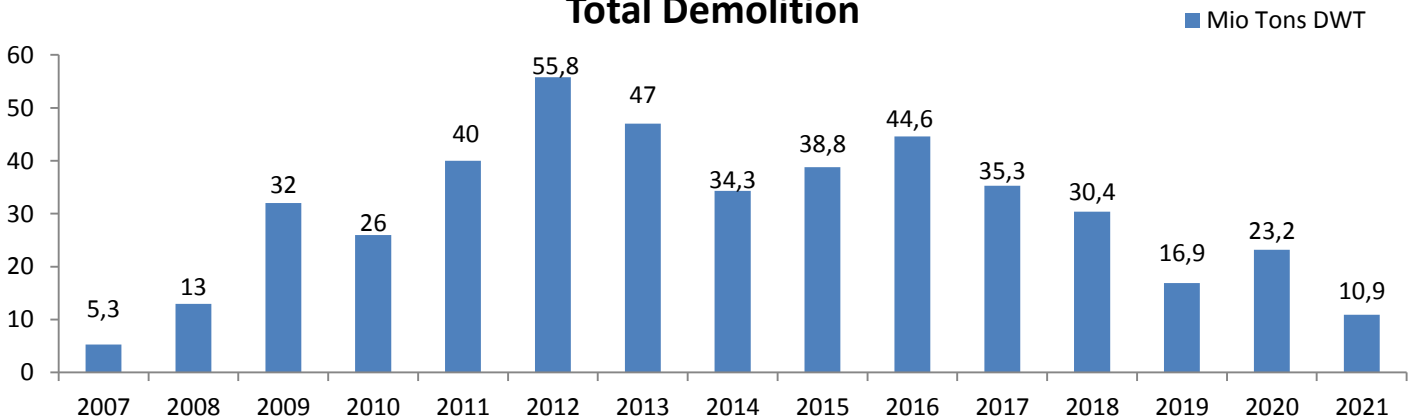

SHIP RECYCLING MARKET WEEKLY

Overall the subcontinent market seems to stabilize with very slow improvement. Bangladesh had a busy week especially on the Tanker sector as the End Buyers filled their yards with tonnage. Despite the hard times that India is passing right now, tried to compete with its counterparts, however it was a quite week for Indian recyclers. Pakistan market was steady this week as the steel price witnessed a global drop.
