Week 26 2021 (28th June- 2nd July)

SHIP RECYCLING MARKET WEEKLY

Sub-continent market pricing continued its healthy course offering mid and high 500/LDT for the right ships. Pakistan stayed on the leading position for another week, despite Bangladesh's recovery on the market and the impressive high priced deals. In addition, India's steel prices were declined last week, due to the Indian Rupee depreciation over the past weeks.
